The NACElink Network, the result of an alliance among the National Association of Colleges and Employers, DirectEmployers Association, and Symplicity Corporation, is a national recruiting network and suite of web-based recruiting and career services automation tools serving the needs of colleges, employers, and job candidates.

Pay Per Job,
Not Per School

JOB PACKS

When you purchase a NACElink Job Pack, you're choosing the best ROI for your recruiting dollar, because with NACElink Job Packs, you pay per job, not per school. You can post EACH JOB at as MANY SCHOOLS as you wish. (Other services charge per school, running up your costs and limiting the number of candidates you can reach with one job posting.)

NACElink Job Packs also save you time: Skip the credit card process required with non-Pack postings.
